ABOUT US

We build Websites Solutions for our customers. We provide best practices and a reliable service with modern responsive designs and data analytics to track and process online orders or user interactions on your website.

EMAIL SYSTEM

We will create your business email and link to your website. This will allow customers to immediately identify with trust that they are talking to the right person and business.

For example:

- admin@finetrades.co.za
- finance@finetrades.co.za
- ceo@finetrades.co.za

SELLING ONLINE PLATFORM

We will install all the necessary software packages to allow your business to sell products online. Online products can be updated at any time such as pricing, descriptions etc... All orders can be tracked and monitored through the website. Your online store will include

- Images, description of each product
- Shopping cart
- Checkout
- Address information on checkout
- Website analytics
- Coupon or discount codes
- Shopping categories

Only (Owner) will have access to the finances of the online store.
